## 12 MUST-SEE ART SHOWS OPENING THIS WEEK

And, yes, today is 420, so what could be better than "Pot Shop," a group exhibition out in L.A. at Ed Varie's new Cali outpost in the garage behind 4516 1/2 Eagle Rock Boulevard. But don't let the date fool you, this show features ceramic and porcelain pots by 16 artists including Isa Beniston, Dan Collins, Dry Spells. Rami Kim, Landon Metz and more.
