

SEANKELLY

Stapley-Brown, Victoria. "In pictures: Frieze Sculpture takes over Rockefeller Center in New York." *The Art Newspaper*. April 29, 2019.

THE ART NEWSPAPER

Jose Dávila, Joint Effort (2019). Sean Kelly.

"It's like a Walter de Maria meets Michael Heizer," Littman says of this sculpture by the Mexican artist Jose Dávila, which has "post-Modern, Minimalist sensibilities". Made of two concrete volumes sandwiching a boulder, wrapped with a canvas strap, "it looks like it will fall apart, but obviously it's a perfectly structurally sound object".
